

Clinton Band Parent Meeting

Meeting Minutes

August 12, 2019

1. Announcements

Fundraising

Committee Sign-up

Parking

Competition

2. Discussion

Band Camp has come and gone and we want to thank all the parents who helped out. Big thanks to Karen Cloud for organizing all of this. We look forward to a great marching season.

Financials—The parents voted on paying for a walk-in cooler repair of \$1200. Athletic department is paying the other \$1200. We need this cooler for snacks, ice, etc.

Make sure you are keeping up your fairshare account and check it for balances owed. The 99 pledges (90% profit) and popcorn credits (20% profit) will be credited to your account by the end of the month. The adjunct staff and show expense has been paid for. Popcorn will be delivered on Wednesday. If you would like a button with your child's picture please see DeAnna Dillard. They are \$5 each. You can send the picture through the band booster email. You will not get a button until the button is paid for.

Committees—

*Band Aid-We need help with this committee. They will make sure they have water during the game and etc

*Concession---this is one of our biggest fundraisers! We need additional help for Thursday night's game against Pearl. Don't forget if you agree to work 3 games, you will receive a discount on your fair share account. It has to be 3 separate games and 3 separate shifts. Also, you will get in the game for free! If you are a freshman parent, you can work one Sumner Hill game and two high school games.

We still need chaperones for football games. They will keep kids safe while in the stands and etc. If your child is in the pit, we need parent help. Equipment moving, setup, etc. We also need gate workers, there are 2 main gates one on home side and one on visitor side. You will need to have tough skin and know how to say No. Please check Charms and look for volunteer sign ups- It has all the openings and the games listed as well as the BOA competitions.

We have 2 competitions –Kentucky and Georgia— Please come watch your kids, sign up for chaperone—fee covers room and bus. We will need plenty of help with props, band-aids, etc.

Shirts that were ordered will be in this week – watch FB /Remind App for notification of pick up time.

Aug 17th will be an all day practice. Make sure your child packs their lunch. We will have snacks for the kids, water, and Gatorade. Please dress them cool and send water.

Oct 5th-we will be going to a competition in Hattiesburg—along with that one, we will go the Pearl competition and we will tailgate at both events. Stay tuned for details.

We are also looking into getting WiFi for the home concession stand so we can take debit/credit cards.

REMINDER!! When dropping off and pickup up kids from band, please make sure you are pulling into a parking spot---do not just pull up and let your child out. There are a lot of kids and cars and we don't want any accidents. Also with the construction, it makes it more difficult so please take those few extra seconds to pull in, let your child out and then back out. The same for pick up---do not line up and wait for your child.

3. Roundtable

Please make sure your child is drinking plenty of water—we can still use some extra cases of water---we do have a water closet for storage. If you have any questions about anything discussed, please ask or email the band booster email. Communication is KEY!
